Corn Byproducts Desktop Reference Booklet

A Graphical Summary of the last 5 Crop Years

The Corn Byproducts Desktop Reference Booklet will give you a quick and handy graphical history of each of the byproducts relating to corn or soybean meal markets. You also get price spreads between marketing areas for each product. This desktop reference will help you identify how these markets have worked so you can more fully utilize that information to improve your bottom line. Order now to receive this informative desktop reference booklet in Mid-October!

INCLUDES GRAPHS DISPLAYING:

- 5-year monthly price history...
- 5-year monthly average price graph...
- 5-year monthly average basis compared to Central Illinois SBM or Decatur corn...
- 5-year average monthly spreads to other market areas.
